Nunavut Caribou

\$5,950

2 Caribou Hunt (NUH1)

The little known Nunavut Territory offers some of the most prestigious and unique North American big-game trophy animals.

This family has been in business for over 30 years in the Northwest Territories and Nunavut. Combining this with life-long hunting and fishing experiences and that of their staff, they will treat you to a world-class arctic adventure.

Featuring comfortable permanent camps for when the caribou cooperate, and mobile tented camps, for when they don't. They place a priority on trophy bulls and high hunter success rates. Float plane access to thousands of square miles of un hunted Nunavut wilderness. The permanent camps are comfortable with diesel or propane heat, running water, showers, home cooked meals, satellite phones and knowledgeable Inuit guides that know the animals and the land.

Five day hunts are based on a maximum of 8 hunters.
